

It is with great pleasure that I write this letter in professional support of Louise Keeton.

In the summers of 2007, 2008 and 2009, I was fortunate to have worked with Miss Keeton within the Cultural Arts section of the County of Henrico, Division of Recreation and Parks, where I am the Cultural Arts Senior Coordinator. Louise was hired as an instructor for CenterStage, our summer performing arts camp for children ages 8-15. Her many daily duties for the four two-week sessions included teaching acting, music, assisting with many workshops, including dance and improvisation, and directing several one-act plays that the children performed at the end of each camp session. Louise consistently demonstrated a genuine caring and dedication to not only the job she performed but to the program's participants. She exemplifies reliability and responsibility. I have complete confidence in her ability to work independently and creatively and having her involved with our programming certainly made my job easier. I am looking forward to having her with us again this summer.

In addition, I have worked with Miss Keeton with Henrico Theatre Company. During this time Louise performed a role in our production of A Day in Hollywood, A Night in the Ukraine, which I directed and choreographed. As a cast member she demonstrates a genuine interest in performing and perfecting her craft. She exhibits a great sense of dedication and purpose in her work and takes direction well. It was a great pleasure having Louise in the cast and I hope I will have an opportunity to work with her again. She is a definite asset to the theatre profession and I have no hesitation in recommending her for your program.
